 CPI	2.10%	3.96%	2.76%	2.61%	2.86%

Important information

The returns shown in this report are total returns compounded annually. They assume all dividends, coupons, property rents, and other income streams are reinvested back into the corresponding asset (if applicable). Returns do not include the impact of fees, taxes or the impact of currency fluctuations on certain investments such as gold and U.S. shares.

Data sources:

- Australian shares: S&P/ASX 200 Total Return Index
